THOUGHTS OF SPRING.

I love to sit behind the stove
And dream about the spring;
To think about the budding grass
And all the birds that sing.
I love to think about the brook
With all its pent-up food,
And from the porch I love to look
At all the lovely mud.
I love to think about the breeze
That o'er the meadow blows,
That nips the birds in the trees
And turns the blue one's nose.
I love to think about the sun
That makes the world so gay,
For I enjoy them most, by Jingo
While sitting by a stove.

The Missionary Society of the First Presby-
terian Church will hold a meeting in the Lecture
Room of the Church on the afternoon of April
11th at 3 o'clock. This meeting will be ad-
dressed by Miss Posey, a Missionary who has
been laboring in Shanghai, China, for a number
of years. Miss Posey is said to be an interest-
ing talker and is thoroughly identified with
Missionary work. A cordial invitation is ex-
tended to ladies of the various Churches, and all
members of Missionary Societies.

A friendly contest of intense interest among
the members of the Ladies' Aid Society of the
Third Street M. E. Church will conclude Friday
night at the social to be given by them at that
time. The ladies are making an autograph
quilt, each furnishing a square, and the object
is to see who will have the most names and
money on their square, the winner to become
owner of the quilt. The quilt will be finished
and on exhibition at the social, and the name
of the successful contestant and the number
of names and amount of money she made will
be announced, together with the results ob-
tained by each of the other contestants.

MARRIAGES

Mr. William H. Adams, aged 23 years, and

Board of Education

Members Harry Taylor, W. S. Yazell, Clarence
L. Sallee, Ben B. Poyatz, J. Barbour Russell
and Prof. D. S. Clinger, composing the Commit-
tees on Districts and Teachers and Curriculum
and Textbooks, met at the High School Building
last night.

The meeting lasted until nearly 11 o'clock,
and some important matters were brought up
for discussion.

The committee's work in the matter of the
course of study for the schools was given special
attention, and as a result of the session much
good is expected in the conduct of the schools
next year.

The members of the Board who attended last
night's meeting presented their views on the
subjects in hand in a way that showed that a
united effort was to be made to make the Mays-
ville Schools the best in the state.

PUBLIC LIBRARY

How It Is Meeting the Demand of
Many Patrons

Under its present able management the Mays-
ville and Mason County Library continues to
improve and grow in the good graces of the
public.

During the past six months 914 books have
been taken out; scholars, students and others
have used reference books two thousand times;
32 books have been donated and 104 new books
bought, which is certainly a healthy and grati-
fying showing.

It is about time for the Mayor to have the
yard in front of the building laid off in flower
beds, and shrubbery planted about the sward.

It can and should be made the most inviting
and beautiful spot in the city.

It will be a favorite resort this summer for
all book readers as well as those seeking knowl-
edge and information.

merly of Mayslick, is a candidate for Repre-

A New Store Every Day

That's what our store looks like these busy days—in today and out tomorrow. The greatest line of Spring
Goods ever gathered under one roof in Maysville. Everything is beautiful; everything is marked cheap.

White Counterpanes.

Direct from the factory, 100 at \$1 each. Compare same with
any you know of at \$1.25. We are sure ours is best. A hundred
good housekeepers will be the first to get them, we are sure.

Silk Kimonos, Dressing Sacks

Short or long. Something new for Maysville. Probably too
new for some of the old people, but "we boys" know the good things
when we see them. \$4.50 to \$20 each.

Skirts.

The best line ever, and that means a good bit here. The skirt
business is our hobby. We would like to talk skirt every day in the
year, but some of our other departments might get jealous, so we will
simply say Skirts \$5.50 to \$15, including some new silks and nets.

Millinery Department.

The new saloon jumped into popularity the very first day. The
finest line of Trimmed and Ready-to-Wear Hats we have ever shown,
35c and up, and not too much up, either. With five fine millinery
stores besides ours it would be a shame if a hat was bought outside of
Maysville.

Children's Hats a specialty.

Carpets, Rugs and Mattings

We sell enough a day to stock the ordinary store in Maysville.
The largest auction sale in the world brought us our Rugs and Car-
pets.

Direct importation from Japan brought us our Mattings.
Tell us where you can beat this combination.

THE Russian Cossacks—those intrepid "Sheridan Raiders" and "Rough Riders" of the Czar's Army—have won a signal victory at Warsaw. They ran down and killed four unarmed Jews.

The world-wide over-production of oil is alarming Standard Oil and Independent refiners. If this doesn't stop, the oil men will be ruined. The Standard is now selling an oil in Maysville at less than 35 cents that "Independents" formerly sold for 60 cents.

WHEN the HARGISES and Deacon CALLAHAN decided on a new "Democratic" paper at Lexington, they probably had in mind a paper that would preach the Democracy of Murder. Headed by The Courier-Journal and The Times of Louisville and The Herald of Lexington, the real Democratic papers of Kentucky are forinst Hargisism. And yet Judge Hargis maintains his place on the Democratic State Central Committee.

EDITOR KNOTT of The Louisville Post makes a mistake when he couples the name of "Boss" SHEPHERD of Washington with that of "Boss" TWEED of New York. Mr. SHEPHERD never made a dollar dishonestly; on the contrary, he sank his own handsome fortune in beautifying the Nation's Capital. He was the victim of political persecution—much as Editor KNOTT is himself today; and the memory of no man is held in higher esteem in Washington than that of Governor SHEPHERD.

OUR FULL DUTY.

Louisville Herald.

Our full duty to our city, our state and ourselves has for some time past taken many of us from the beaten path of blind partisan prejudice and bigotry and may again and often force a recognition of conditions compelling simple independence in politics in place of the more flattering but less conscientious adherence to strict party rule.

Our duty to the United States is as well defined and clear as is our duty to Louisville and Kentucky, and on broad National lines The Herald stands irrevocably for the Republicanism of Theodore Roosevelt. It stands unalterably for the Republicanism of the last National party platform. It stands without doubt or hesitation for the fiscal and financial policies of the party which has made America the first of Nations. It stands emphatically for the Monroe Doctrine and for American paramountcy in the Western Hemisphere. It stands fearlessly for civic equality, for freedom of the ballot, for the wide open school door for every man's child. It stands firmly for the National Constitution, from the Alpha of the preamble to the Omega of the Fifteenth Amendment. It stands proudly for the Union, an indivisible and invincible Nation, the general Government supreme, the state subordinate thoroughly and self-governing. It stands loyally by every achievement of Republicanism, from Lincoln's first inauguration to the present hour.

The Herald stands for the Republican masses of Kentucky and for every class of independent citizenship of this state identified with its expansion and development. It rejoices in the fine record made by Kentucky Republicans. It applauds the leadership and the loyalty that have enabled the party to acquire such strength. It calls for the enrichment of the state by the introduction of more capital and enterprise to dig out waterways, delve into mines, new forests, raise mills, establishments and manufacturers, web our surface with electric lines and bring buyers to every farmstead. It calls for the new Kentucky, to be won through better schools, fairer elections, more regard for human life, justice impartially and fearlessly administered in every section of the Commonwealth. It calls for the united action on the part of all citizens, regardless of past party professions or affiliations, to bring Kentucky into closest touch with the National spirit and sentiment now irremovably established in the Republic.

The Herald is opposed to boss or bureaucratic domination, called by whatever name it may be, Democratic, Republican, Populist or Socialist. It is for principles, not men. It is for party because it is for country. It will condemn every effort at one man power in the Republican organization, National, state or civic. It believes ineradicably in the Republican principle that the majority should rule; that the people should select their leaders, not that the leaders should select themselves. It holds and will ever hold that the leader rightly chosen is entitled to unswerving loyalty.

Hence The Herald earnestly and enthusiastically supports the principles, policy and personality of Theodore Roosevelt and the splendid Republicanism of National unity, states' rights, civic freedom, American justice and continental paramountcy that great man typifies.

"There Isn't One Really Good Printer in Five Hundred."

Printers' Ink—the leading journal on publicity of all kinds—has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Intelligent advertisers are willing to pay for good printing, no matter where it comes from." Printers' Ink knows what it is talking about. Poor printing is a bad investment. It's worse than a blank. A business man's stationery or booklet is like a traveling man—if it's neat, well-dressed and to the point, the first impression is good and your chances of doing business on the strength of it are good. We realize this. We keep ahead of the times. We know what good printing is and produce it. We are pretty careful not to let a bum job get out our presses. No press in the country can better our printing and we want you to know it. HAVE THE DAVIS PRINTING HOUSE PRINT IT. PUBLIC LEDGER BUILDING.

WORMS

"I had for years suffered from what medical men called Dyspepsia and Colic of the Stomach. In August I purchased a box of Cascarets and was surprised to find that I had 'em'—yes—a swelling, squirming mass left me. Judge our doctor's surprise when I showed him thirty feet, and in another day the remainder about the same length of a tape-worm had been expelling my vitality for years. I have enjoyed the best of health ever since. I trust this testimonial will appeal to other sufferers."—Chas. Blackstock, 119 Thirteenth Place, West Philadelphia, Pa.

A syndicate of German merchants, manufacturers and exporters is being formed to open avenues for trade with Abyssinia, and as soon as the German expedition to that country returns and reports German commercial travelers and technical experts will be sent thither to investigate and establish business connections.

About Rheumatism.

There are few diseases that inflict more torture than rheumatism, and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say that it can be cured is, therefore, a bold statement to make, but Chamberlain's Pain Balm, which enjoys an extensive sale, has met with great success in the treatment of this disease. One application of Pain Balm will relieve the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Balm affords such quick relief and costs but a trifle? For sale by all Druggists.

THIS STORE

Is Granted the Honor of Having Launched the Correct Modes for Spring, 1905.

The occasional brilliant flashes round about us only emphasize the fact that this is Maysville's Foremost Store. Its position at the head of the line is firmly established, and its advancement is constant.

We are not infrequently spoken of as being conservative—a good old word, which means, as applied to this store, exact business methods; plain statement of truth, both as buyer and seller; courteous, prompt and intelligent service; avoiding sensationalism; making show only of Millinery. And is there not education and entertainment in such goods?

Maysville's Foremost Store in this month of April is greater and better and busier than ever before.

Chamberlain's Cough Remedy the Best and Most Popular.

"Visitors buy it for coughs and elderly people buy it for la grippe," say Moore Bros., Eldon, Iowa. "We sell more of Chamberlain's Cough Remedy than any other kind. It seems to have taken the lead over several other good brands." There is no question but this medicine is the best that can be procured for coughs and colds, whether it be a child or an adult that is afflicted. It always cures and cures quickly. Sold by all Drug Gists.

Vinol was recommended, and it certainly worked wonders for me: it increased my appetite, cured my indigestion, cough and nervousness, and I sleep soundly. I consider Vinol a wonderful remedy."

RUN DOWN AND NERVOUS.

VINOL COMPLETELY RESTORED MRS. BURNS'S HEALTH.

John C. Peacor, Our Well Known Druggist, Agrees to Return Money if Vinol Fails.

"Many people right here in Maysville are all run down, hardly able to drag about, don't know what ails them. This condition is probably caused by a cold, or cough, which is hard to cure, overwork or too close confinement to business. Such people need Vinol," said Mr. John C. Peacor, and the following letter is only one of many which we are constantly receiving showing what Vinol will do.

Mrs. W. T. Burns of Memphis, Tenn., who is national press correspondent of the W. L. C. writes: "Last winter I caught a severe cold which it seemed impossible for me to get rid of. I became much run down, lost my appetite and flesh and felt nervous and irritable. Vinol was recommended, and it certainly worked wonders for me: it increased my appetite, cured my indigestion, cough and nervousness, and I sleep soundly. I consider Vinol a wonderful remedy."

Vinol cures such conditions because it is the

only preparation in the world that contains every one of the fifty odd medicinal curative elements found in fresh cod's livers and without one drop of useless oil, which characterizes old-fashioned cod liver oil and emulsions. It imparts in a natural manner strength and vigor to every organ of the body, aids digestion and makes rich, red blood.

Vinol is not a patent medicine, everything is printed on the bottle; it contains iron, and in a highly concentrated form, all of the vitalizing properties contained in cod liver oil. It is delicious, and the weakest stomach can retain it.

We ask every run down, nervous, debilitated, aged or weak person in Maysville and every person suffering from stubborn colds, hanging-on coughs, bronchitis or incipient consumption to try Vinol on our guarantee. It costs nothing if it fails to give satisfaction. JOHN C. PEACOR, Druggist.

According to the most recent reports of the Department of Indian Affairs, Ottawa, the Indian population of Canada is at present 109,956, which is 275 less than in 1903, but an increase of more than 8,000 is shown for the past decade.

Mechanists and ironworkers are greatly interested in the discovery of the art of welding cast iron, which W. S. and L. R. Schaap of Loveland, Col., claim to have made. They declare that the compound which they have invented also will braze aluminum as successfully as borax will braze steel.

THAT'S THE LEDGER.

The Rev. T. McWitt Talmage says:—
"A newspaper whose columns overflow with the advertisements of business men has more influence in attracting attention to and building up a city or town than any other agency that can be employed. People go where there is business. Capital and labor will locate where there is enterprising community. No power on earth is so strong to build up a town as newspapers well patronized, and this power should be appreciated."

DON'T EXPERIMENT.

You Will Make No Mistake If You Follow This Maysville Citizen's Advice.

Never neglect your health. If you are always tired or have a pain in the back, urinary disorders, dizzy or nervous spells, it's time to act. These are all symptoms of dangerous kidney troubles and you should use a remedy which is known to cure these troubles safely and surely. Doan's Kidney Pills is that remedy, and if you wish to be cured of kidney trouble without experimenting do not fail to use it. Others have been cured and cured permanently. Why not follow the advice of a Maysville citizen and he cured yourself?

George N. Crawford, blacksmith and wheelwright, at Second and Lee streets, and living at 216 East Lee street, Maysville, Ky., says: "In the spring of 1901 I gave a testimonial telling what Doan's Kidney Pills had done for me, and I am pleased to say I can just as warmly recommend this remedy now as I did then. No other medicine ever gave me such prompt and positive relief from backache and kidney trouble as Doan's Kidney Pills, procured at J. Jas. Wood & Son's Drugstore, and I believe them to be by far the best remedy for the kidneys there is. Sufferers from such troubles ought to give it a trial."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
